REMARKS

It is noted with great appreciation that the Office Action considers claims 1-10 as being allowed and claims 12-15 as being allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

In response thereto, Applicants have cancelled claims 11-15, without disclaimer, prejudice or waiver. Upon entry of the amendments in this response, claims 1-10 remain pending in the present application. Applicants have cancelled the aforementioned claims merely to reduce the number of disputed issues and facilitate early allowance and issuance of other claims in the present application. Applicant reserves the right to pursue the subject matter of these cancelled claims in a continuing application, if Applicant so chooses.

In light of the foregoing amendments and for at least the reasons set forth hereinbefore, Applicant respectfully submits that all objections and/or rejections have been traversed, rendered moot, and/or accommodated, and that the now pending claims 1-10 are in condition for allowance. Favorable consideration and allowance of the present application and all pending claims are hereby courteously requested. If, in the opinion of the Examiner, a telephonic conference would expedite the examination of this matter, the Examiner is invited to call the undersigned.
